## WELCOME!

Praise the Lord!

Unprecedented change is currently taking place in the world. Already, science and technology are changing how we live. It is also a time of increased global violence, shaky economic conditions, and unpredictable social and political upheavals. And I think we can bring the good news of Jesus Christ to this chaotic age.

The legacy of Life In Christ Bible college is incredible! Since 1996, more than 1000 graduates have benefited from the special learning opportunities that Life In Christ Bible College has created and called them to be. These courses concentrate on teaching students how to live as effective servant leaders who grow more and more in Christ each day while being empowered and guided by the Holy Spirit. Knowing that you might join this expanding group of LICBC graduates makes us happy.

The main goal of all the courses, activities, and programmes LICBC offers is to prepare men and women who feel God's call to a life of Christian service. At LICBC, we encourage our students to pursue excellence throughout their lives so they can serve their generation in a unique way in the name of Christ. We are eager to get to know you and determine whether Life In Christ Bible College fits into your current spiritual path with you.

Thank You!

# GREAT COMMANDMENT!

And Jesus came and said to them,  
"All authority in heaven and on earth has been  
given to me. Go therefore and make disciples of all nations,  
baptizing them in the name of  
the Father and of the Son and of the Holy Spirit,  
teaching them to observe all that I have commanded you.  
And behold, I am with you always, to the end of the age.
